Dear Superintendent Mijares and Members of the Eagle Pass ISD Board,

I hope this message finds you well. I am writing to respectfully request that Dr. Sarah Martin, MD, Chief of the Division of Child and Adolescent Psychiatry at Texas Tech University Health Sciences Center in El Paso, be allowed to present at our upcoming board meeting on November 11, 2025.

Dr. Martin would like to share valuable information regarding the **free** TCHAT (Texas Child Health Access Through Telemedicine) services available to our district. Her expertise in child and adolescent psychiatry, along with her leadership in the TCHAT program, will provide important insights into how these services can support the mental health and well-being of our students.

Dr. Martin's presentation will take approximately 10 minutes or less, followed by time to answer any questions board members may have.

Thank you for your time and consideration. I believe this presentation will be a valuable opportunity for the board to learn more about resources that can greatly benefit our students, families, and staff. Please let me know if any additional information or formal steps are required to include this presentation on the agenda.

Sincerely,  
Jaime C. Barrera  
Board Trustee, Place 6  
Eagle Pass Independent School District
