FISCAL MANAGEMENT PURCHASING

June 20, 1988

The Board authorizes the Superintendent and/or the Superintendent's designee to purchase and/or supervise the purchase of all materials, equipment, supplies, and services necessary for the operation of the School District. It is the intent of the Board that the School District purchase competitively from responsible vendors, without prejudice or favoritism, and seek maximum value for all expenditures. Competitive pricing is to be pursued by following legally required processes, as well as through such methods as cooperative purchasing, formal or informal bidding, requests for quotations from multiple vendors, and negotiation. The Board reserves the right to accept or reject any or all bids.
