Dear Nicole Blodgett,

This email serves as confirmation that we have received records from Pana Community Unit School District No. 8. SmartProcure thanks you for taking the time to answer our request. We will begin the process of combining your records with thousands of other government agencies' records nationwide. Should we have further questions we will be in contact with you soon.

Government purchasing agents use the records to save research time, negotiate better pricing with vendors, get quotes or simply to find new vendors.

Again, we appreciate your assistance.

Best Regards,
