2. DeBerry Group

In the wake of the August 31 shootings, ECISD is taking on the role of serving as a central source of support, information and mental health resources for teachers, staff, students, parents and the larger community. The DeBerry Group will play a key role in this effort through the following steps: Initial meeting and strategy session with ECISD Office of Student and School Support, Guidance and Counseling, and Communication Department. Creation of strategic communication and message to address needs and concerns of key audiences; development of a resource hub to be incorporated into the district's existing website to provide information that helps the community's healing/recovery process; create materials - for internal and external use - tailored to the different audiences and age ranges served by the district; help prepare the district and community for difficult milestones and anniversaries surrounding the mass violence tragedy.

Estimated contract price: \$80,000 includes all consulting, creative work, production of materials/resources, software, licensing fees, and travel costs for the 12-month period of the contract.

The DeBerry Group is considered a Professional Services per Chief Financial Officer.

Administrative Recommendation:

Approval of Purchases over \$50,000
