**ADDITIONAL INFORMATION AND/OR BACK-UP:**

Spring Branch ISD is pleased to recognize Memorial High School's Conrad Slot, for his performance at the UIL Computer Science competition last spring. In Conrad's first year of competition, he placed as one of the top five students in the State of Texas, and is the first SBISD student since 2022 to qualify for the UIL Computer Science state competition. He is also the only SBISD student since 2004 to earn a medal at the UIL state meet. Congratulations, Conrad!
