RE: Dismissal of Certificated, Part-time Teachers for the 2014-2015 School Year

DATE: March 6, 2014

---

It has been our practice in past years to dismiss certificated, part-time teachers due to the return of teachers from full or partial leave, enrollment uncertainty in specific academic areas, or other reasons not related to a teacher's job performance (e.g., certification deficiencies). Taking such action at this time in the school year protects the school district from employing individuals whose services may not be required next school year. Taking this action also provides our administrators with greater flexibility in creating a staffing plan that is responsive to changes in student enrollment and/or student course selection patterns.

Later in the school year, when staffing requirements for the 2014-2015 school year are more fully known, we will be in a better position to re-employ these staff members at an appropriate level of service or employ new staff members who can better meet our staffing needs.

I recommend that Board of Education adopt the attached resolution.

Should you have any questions, please contact me.

Dear Name:

At the March 10, 2014, meeting of the Geneva Community Unit School District Number 304 Board of Education, formal action was taken to extend to you a dismissal notice, effective at the conclusion of the 2013-2014 academic year. Your contract of employment will, therefore, end at the close of the current school term. Per the requirements of the Illinois School Code, we are required to notify you of this action via certified mail. That is the purpose of this communication.

This action is required based upon uncertain staffing levels which will be required in the coming school year.

At such time as staffing levels for the coming year are determined and should an opening be in an area for which you are qualified, we would invite your application.

On behalf of the Board and administration, we wish to thank you for the service that you have provided to the students of our school district. Should you require additional information or clarification, please contact Craig Collins, Assistant Superintendent-Human Resources.

Very truly yours,

Mark Grosso  
President, District 304 Board of Education

Kent D. Mutchler  
Secretary, District 304 Board of Education
