Re: Discussion of Bids for Entryway Project

As part of the 2013 bond issue, we will renovate the Entryways at Cleveland, Coolidge, Rosedale, Cooper Upper Elementary Schools and Frost Middle School this summer. We would like to discuss the responses received from the Request for Bids (RFB) for the Bond Issue Program at the next Building and Site Committee meeting on Monday, May 5, 2014.

The RFB for the Entryway Project was made available on April 14, 2014. Our Owner's Representative Plante Moran Cresa conducted a pre-bid conference on April 22. The bid responses were due on April 29, 2014. We have received many responses (list attached), and Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

Cresa was planning to have the information available in the Board packet, but if it is not complete at that point. All the detail will be available at the May 5 Building and Site Committee Meeting. The bid responses are available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms.

On Monday, May 5, 2014 at the Building and Site Committee meeting Mr. Paul Theriault, Plante Moran Cresa and Ms. Keti Mitevaska, French Associates will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors to provide the renovation work for the Entryway Project this summer. As always, please let me know if there are any additional questions.
