

WBCSD Home Learning Network Board Report, October 16, 2025

Enrollment:	94
-------------	----

Professional Development

Monthly Overture Professional Development is held weekly each Tuesday. This training is to help our staff learn the Overture Parent Portal as well as program expectations to help our teachers support our families to educate their children.

Our teacher team has done a great job meeting with their families, and getting to know them.

Fall Benchmark Assessments

EasyCBM - We have purchased EasyCBM for our staff to complete Fall Benchmark assessments 6-8 ELA, and K-8 Math Assessments. They have worked with Overture to add usernames and passwords to the Overture Platform.

AMIRA - They will be completing Amira Assessments for their students K-5 before the end of October. Mrs. Riddle, Mrs. Riddle's will proctor the Amira Assessments for each Kindergarten-3rd Grade other's classes.

Student Enrollment

Olivia Palmer and Brenna Saccone have done a great job setting up our school in Skyward, our student information system.

Supplies & Technology

The following have been purchased for our teachers -

- Teacher licenses for EasyCBM (progress monitoring)
- Individual Zoom accounts to improve online teaching

Also thank you to the district office staff for their support in ensuring our team has the tools needed to teach effectively online.
