**4. POSSIBLE ACTION FOLLOWING EXECUTIVE SESSION**

**4.1 Disciplinary Action – Student A**

While deliberating in closed session, a majority of the Board made the following findings, based upon the Administration's presentation:

1. That the student's continuing presence would pose a threat to the safety of others in the school community and/or that the student's continuing presence would substantially disrupt or interfere with the orderly operation of the school;

2. That removing the student from the school is in the best interests of the school community;
3. That the duration of the expulsion or alternative placement is justified given the circumstances of the misconduct, the need to discipline the student and the need to protect the school community;
4. That all appropriate behavioral and disciplinary interventions have been exhausted in light of the misconduct; and
5. That it is in the best interest of the student.

Motion by Wilson, second by Novak to find Student A eligible for expulsion through the end of the 2016-17 school year and to accept the Administration's recommendation that the student be placed in lieu of expulsion at the MVSEC Safe School program for the same period of time, pending successful completion of that program.
