Re: I.T. Security Presentation

I would like to request adding an agenda item to the Monday, August 12, 2024 Committee of the Whole meeting. I have invited Thomas Moran from Mullen Coughlin LLC. He and his legal firm helped our district during the recent I.T. issue the district experienced. He will join the Committee of the Whole in order to debrief the Board of Education members on the situation and answer their questions. Thank you.
