Item: Capital Outlay Equipment – Maintenance Vans

Submitted by: Russell Bray

Date: 6/6/25

Recommended by: Kevin Philipps *KP*

Board Meeting Date: 6/16/25

RECOMMENDATION:

It is recommended that the Kent ISD School Board approve the purchase of two (2) 2025 GMC Savana Cargo Vans from Todd Wenzel Buick GMC for \$81,876.00, which reflects the current quote. Given the current market volatility, it is recommended that the board approve a 15% contingency to account for the possible cancellation of current quotes and price readjustments, totaling \$94,157.40.

This vehicle will be purchased using the MiDeal Extended Purchasing Program. The MiDeal program satisfies all of the bid requirements for the State of Michigan and allows us to purchase this equipment without doing our own bid process.

BACKGROUND:

These two (2) vans will be used to replace older Ford Transit vans, which will be reassigned within the Facilities Dept. This purchase was approved through the 2025-26 capital outlay process.
