Subject: Learning While Leading - Informational Webinar

To: <jbauer@panaschools.com>

The Association of Illinois Rural and Small Schools

During the past several years, AIRSS has partnered with a number of entities to support work around school leadership practice and research. It is important for our rural schools to participate in these projects as it provides us with data that specifically represents our rural and small school needs and concerns. These projects also serve as a catalyst to develop an intentional succession plan for leadership within our rural and small schools. Please consider the invitation below and join us for this important informational zoom regarding the Learning While Leading project.

Thank you,

David Ardrey

Executive Director

Association of Illinois Rural and Small Schools

You are invited to participate in an informational webinar on the [Learning While Leading](#) Project on **Monday, July 18th at 11:00 a.m.**

The Learning While Leading Project is a \$4 million grant administered by Regional Office of Education #17 and the LEAD Hubs. Through this project, 40 aspiring principal candidates will receive three years of training and coaching support (one year as an aspiring leader and two years while on the job in a principalship). Eligible candidates must hold a Type 75/Principal Endorsement and be interested in pursuing a principal position in the 2023-2024 school year.

This project is targeting rural schools to provide practical coaching and supports to aspiring and novice school leaders.

Please join the Informational Webinar [via Zoom here](#) on **Monday, July 18th at 11:00 a.m.**
