

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomingdale, Illinois**

Regular Meeting September 23, 2019

FOR INFORMATION:

Subject: Superintendent's Report

Spring MAP Results

This evening, Dr. Waugh will present the student achievement scores from the Measures of Academic Progress (MAP) assessment with a comparison of growth from Spring 2018 to Spring 2019. An executive summary of her presentation is attached.

Institute Day

On Friday, October 11th, there is a Teacher's Institute Day scheduled. Dr. Waugh will present the activities that are planned for the staff on that day at this time.

Calendar Focus Group

After approval of the Collective Bargaining Agreement with the Bloomingdale Teacher's Council, the Calendar Focus Group will begin their meetings to review and propose amendments to the 2019-2020 calendar as well as to make recommendations for the structure of the 2020-2021 calendar. These would come forth to the Board as early as the December meeting for review before a vote at the January 28, 2020 regular meeting. I anticipate the focus group will meet at least once in October and once in November.

IASA State Superintendent's Conference

Beginning tomorrow, I will be in Springfield for the 55th Annual State Superintendent's Conference. Topics of breakout session I will attend include:

- From Striving to Thriving with Toxic Stress;
- Collective Efficacy is the Road to Real Personal Learning and Student Success;
- Portrait of a Graduate: Creating a Shared Vision for a 21st Century Education System;

As well as general sessions led by Aaron Davis, Shaun Achor and Dr. Carmen Ayala, State Superintendent of Schools. I will share what I learned in an upcoming edition of the *Thursday Letter* (which will not be released this week).
