Name of Nominee: Keith Crocket

How is this person a positive representative of the district.

Keith has a positive attitude, laugh and smile that brightens everyone's day. Even when he has challenges, which he has many, he goes above and beyond to help make our school a place we feel happy to work in and share with our students. Our school is one of the cleanest and best cared for in the district. Keith is always willing to help a co-worker or student with little notice and so often does this with a smile, no matter how busy he is.

How is this person a positive role model for others?

Keith is a positive male role model that teaches our young boys and girls how to work hard, while remaining positive.

How is this person innovative? How do they seek new ideas or methods?

Keith Crocket should be on a home and garden show because he is extremely knowledgeable and has a great talent for interior design and remodeling. He is often repurposing old cabinetry and tiles to add innovative improvements throughout our building. Recently, he took our drab, outdated kitchen and repainted, retiled a back splash and added additional storage from items that many would have thrown away, but made them into something beautiful for our staff and students to enjoy.

How are they self-motivated?

Keith is never afraid to try something new and will make changes in our building if he believes it will help improve our school, which it most always does!

List any other reasons this person is deserving of the award.

Keith always has time for our students. He is never too busy to greet students before and after school and spend time working with safeties during lunchtime. Keith is the kind of person you can count on to help if you need it.
