

Action Sheet

MEETING DATE:

March 25, 2020

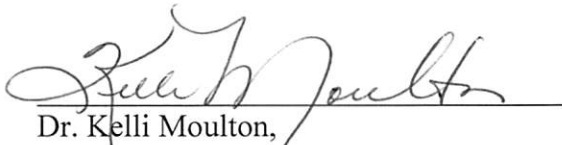

AGENDA ITEM:

Discuss and consider approval to apply to the Lone Star STEM Grant.

The STEM Community at Ball High seeks to apply to the Lone Star STEM Pilot Grant. The grant request will specifically be made to enhance the computer science and cybersecurity programs and curriculum at Ball High by purchasing laptops and desktops with the capabilities to run the specific programs needed for the curriculum. The grant request will not exceed \$90,000.

RECOMMENDATION:

I move that the Board approve the application to apply for the Lone Star STEM Pilot Grant.

Dr. Kelli Moulton,
Superintendent

Dr. Annette Scott,
Assistant Superintendent of Curriculum
