Currently as a school we have 93.75% in the second semester. Below you can see the monthly attendance in comparison to the last three years.

**HHS Visitation...**

On April 9th, HMS was able to take our 8th grade class to tour Homedale High School. During this visit Mr. Holtry and the high school ASB student leaders spoke to the students about the opportunities the students would have in the upcoming year. The high school students then divided the middle school students into groups and took them on a tour of campus. This opportunity gave our students a very good impression of the school and got them excited as they head into the registration process.

### Future Hispanic Leaders of America...

HMS FHLA students recently attended the annual FHLA Conference in Ontario, Oregon. The students engaged with various college, tech, health, and community organizations, asking questions and collecting signatures. They also were required to form three new friendships from other schools. Mrs. Fernandez and Mrs. Guzman attended with our students. It was great to see the kids so engrossed in the event!

### Ski Trip...

We had a great day on the slopes with the middle school kids. Cassandra Rosa, Kelsey Kirkland, Kim Portwood and Anjie Powell put in a lot of work in the preparation and supervision of students on this year's ski trip. We ended up taking 54 students to Bogus and 43 of these kids were new to the sport. It was a great experience for all that attended. Thank you, Cassandra Rosa, for organizing and leading this event.

### Scratch for Schools...

Cassandra Rosa, Kelsey Kirkland, and Heather Landa jumped on the opportunity to attend the “Scratch for Schools” event and win \$272 for HMS, way to go Ladies!
