New menu's were introduced beginning of October, with fresh product and scratch cooking, minimizing premade products. Students reacting positively to the change.

Went to 2 days of School lunch program training. Sat with an experienced group of Food Service Directors. They brought to the table wonderful ideas for student feeding, and most important, showed usme how to better reserve and bring in USDA free foods for school lunch program. This should help lower our cost factor over time once we begin reserving, and getting product shipped. -
