### **BASIC LEGAL REQUIREMENTS**

School board members must complete training that is required by the State Board of Education (SBOE), and the board president must publicly announce whether each board member has met their training requirements.

**When:** The announcement must be made at the last regular meeting of the board before an election of trustees.

**Recommended Annual Announcement:** Even if a school district does not conduct an election in a given year, whether because of biennial elections in November or because the election was cancelled due to unopposed candidates, TASB recommends that districts still annually announce board member training at the time the election would otherwise be held. Annual announcements will provide consistent public transparency and accountability.

**General Content of Announcement:** The board president must announce the name of each board member who:

- Has completed the required continuing education;
- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

Whether a board member has completed, exceeded, or is deficient is measured from the anniversary of the date of each board member's election or appointment to the board or two-year anniversary of his or her previous training, as applicable.

**Meaning of Deficient:** TASB interprets deficient to mean that the board member has failed to complete the required continuing education in the time period provided for by law.

**Continuing Education Training Areas:**<sup>1</sup> Board members must receive continuing education training in eight areas, including:

1. Local District Orientation
2. Orientation to the Texas Education Code
3. Post-Legislative Update to the Texas Education Code
4. Team Building
5. Additional Continuing Education (based on the framework for governance leadership)
6. Evaluating Student Academic Performance and Setting Goals
7. Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
8. School Safety

**Board Meeting Minutes:** The board meeting minutes must reflect the announcement and whether each trustee has met or is deficient in meeting the required training as of the first anniversary of the date of the trustee's election or appointment.

**Posting Minutes:** If the minutes reflect that a trustee is deficient in training, the district must post the minutes on the district's website within 10 business days of the meeting and maintain the posting until the trustee meets the requirements.

**Legal Authority:** Tex. Educ. Code §11.159; 19 Tex. Admin. Code § 61.1

---

<sup>1</sup> Due to changes in the training rule, the prior use of the term "tiers" for describing and announcing training areas is no longer useful and has been discontinued.

## **ANNOUNCEMENT PREPARATION**

**Review TASB Resources:** TASB recommends that the board president and all other board members review [Texas School Board Member Continuing Education](#), a comprehensive FAQ that includes information about required continuing education, reporting continuing education credit, the board meeting announcement, and posting the minutes on the announcement.

**Determine Status of Compliance:** Prior to the meeting when the announcement is made, the board president will need to review with each member whether the board member has completed, exceeded, or failed to satisfy the required continuing education training.

**Board Members with Time Remaining:** At the time of the announcement, if a board member still has time remaining to complete training, TASB recommends that the board president note those members that have scheduled training to be completed before the deadline. Next, the board president should note any members who have not scheduled training that needs to be completed before the deadline.

**Review the Announcement Script:** The announcement script explains the announcement to the public and provides a record to complete that complies with the requirements for the minutes of the meeting.

**Complete the Announcement Record:** For each of the eight training areas, and for training that exceeds the required continuing education, insert the applicable information on the announcement pages.

TASB recommends that the board president direct that the pages as announced be attached to the meeting minutes. The minutes must be posted to the district's website within 10 business days if any trustee is deficient in required training.

## **BOARD PRESIDENT'S SCRIPT**

### **Board President:**

Under State Board of Education Rule, completing required continuing education each year of service is a basic obligation and expectation of any sitting board member.

As Board President **(if absent, then replace with "Presiding Officer of the Board")**, I am required to announce the name of each member who:

- Has completed the required continuing education;
- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

The requirements for training are measured as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable.

There are eight training areas for board member continuing education:

1. Local District Orientation
2. Orientation to the Texas Education Code
3. Post-Legislative Update to the Texas Education Code
4. Team Building
5. Additional Continuing Education
6. Evaluating Student Academic Performance and Setting Goals
7. Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
8. School Safety

To the extent applicable to each board member, I will announce the completion or deficiency as to required training.

For members who still have time remaining to complete required training, I will announce those board members who have scheduled timely training and those who have not yet scheduled the training.

At the conclusion of this announcement, I will announce any board member's training in excess of the continuing education requirements.
