Re: High School Principal Report February 2023

Greetings from HHS!

Time seems to be flying by here at the high school as we enter February. We will be wrapping up winter sports/activities this month as well as holding our Homedale Boosters 10th Annual Steak and Crab Feed. FFA week is the week of Feb 13th with lots of fun activities being held throughout the week celebrating FFA/Ag in our school!

We want to give a big shout out to our Drama Club for their recent performance of The Beauty and the Beast. It was great to have our elementary kids come up and enjoy the performance as well on Thursday the 2nd. The students and staff did a great job preparing and performing for the community.

We are looking forward to a great second semester here at HHS!

Matt Holtry
