Melissa Jacks	Licensure	what CTE courses will be taught in which a Technical Permit is not available? Special Ed. licensure cannot be waived. Art and Music are core areas in which AQT status is required when licensure is waived. Class size waivers are for K-6 and not needed for 7-8 grades. PE is considered large group and waiver shouldn't be needed for the strategy listed. check with Matthew S. If the library media specialist at one of the other schools is being used, why is a licensure waiver of LMS needed?
