October 27th Board Recognitions

Millsap Middle School – Mr. Louis Casteel (8th ELA teacher)

We are proud to recognize Mr. Casteel, our 8th grade ELA teacher, as Teacher of the Month! He has been a wonderful addition to our team this year, bringing energy, dedication, and a true passion for student success. Beyond the classroom, Mr. Casteel serves as the Jr. Beta sponsor and is always supporting his students by attending numerous activities and events. His commitment to building strong relationships and creating opportunities for students to shine makes him an outstanding role model and a valued member of our school family.

Millsap High School- Ms. Lindsey Franklin (MHS Paraprofessional)

We're thrilled to celebrate Ms. Lindsey Franklin as our Staff Member of the Month! Lindsey's positive attitude, dedication, and heart for students shine through in everything she does.

Mrs. DeLuna shared, "Lindsey Franklin is helping students who are not only hers, having a good attitude and going above and beyond for the kids."

Mrs. Elias added, "Lindsey is always willing to help any student in need. Her quick wit always brings a smile."

And Mr. Reddin noted, "She always goes above and beyond for the students. She helps where she's needed and does everything with the utmost professionalism."

Lindsey, thank you for your kindness, your commitment, and the joy you bring to Millsap every day. You truly embody the Bulldog spirit!

Millsap ISD Support Staff- Ms. Erica Lam (MISD Administrative Assistant)

When Ms. Erica Lam joined the Bulldog Family just a year ago, she stepped into a role with big shoes to fill, by following in the footsteps of a long-standing family member, Connie Wiese. But from day one, Erica hit the ground running. She is a fast-learner, with an incredible work ethic, and has taken on every challenge with focus, dedication, and a commitment to excellence.

Whether staying late for the many Board meetings, as we were getting Dr. Stewart hired, to jumping in to support a teammate, or going the extra mile for a customer, Erica consistently demonstrates what it means to be all in. Her ability to adapt quickly, solve problems, and deliver top-tier customer service has made a big impact in a short time.

We're proud to recognize Ms. Erica Lam as our Employee of the Month for September, not just for the hard work she has done, but for the standard she continues to set. The shoes may have been big, but Erica has adequately filled them, while making her own mark.
