

404 EMPLOYMENT/VOLUNTEER BACKGROUND CHECKS

I. PURPOSE

The purpose of this policy is to maintain a safe and healthful environment in the school district in order to promote the physical, social, and psychological well-being of its students. To that end, the school district will seek a criminal history background check for applicants who receive an offer of employment with the school district and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the district, regardless of whether any compensation is paid, or such other background checks as provided by this policy. The school district elects to do background checks of all volunteers and may elect to do background checks of independent contractors and student employees in the school district.

- A. The school district shall require that applicants for school district positions who receive an offer of employment, and all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services to the school district, regardless of whether any compensation is paid, submit to a criminal history background check. The offer of employment or the opportunity to provide services shall be conditioned upon a determination by the school district that an applicant's criminal history does not preclude the applicant from employment with, or provision of services to, the school district.
- B. The school district specifically reserves any and all rights it may have to conduct background checks regarding current employees, applicants, or service providers without the consent of such individuals.
