

Middle School Board Report

March 2024

Solo & Ensemble

Five middle school students participated in the Solo & Ensemble event, held at Webster Middle School on February 13th.

Two students performed solos and the other a trio. The students who performed at the event placed well, all earning a score of 1 or 2. Congratulations to each of these students for the hard work and extra time put in to make the event a success!

Science Olympiad

Middle school Science Olympiad students participated in the Boyceville Regional on Saturday, February 16th.

Both Middle School teams represented Unity well. The Middle School Varsity team will have the opportunity to attend the State Tournament which is being held at UW-Stevens Point in April. Results will be out in later March that will determine if the team advances.

N.A.E.P. TESTING

50 eighth grade students participated in the National Assessment of Educational Progress in February. These students were selected at random and were tested in either Mathematics or Language Arts. The test proctors for N.A.E.P. were sure to thank Unity for the student's excellent engagement and welcoming personalities!
