Monthly Reports

- | | | |
|-------------------------------|-------------|--|
| • Facility/Maintenance Update | Stein/Hogan | Summer Projects |
| • Transportation Department | Stein | No Report |
| • Food Service Department | Stein | No report |
| • Administrator Reports | Principals | Registration, first of the year issues |
| • SDE, Legislation Etc. | Stein | <ul style="list-style-type: none">• Pay For Performance. Will be establishing a committee to look over some other plans and decide if we want to create our own or stay with the states. Will be on the SDE's plan this year.• Still no word on the computing device for the high school teachers. They are probably waiting for the November election.• Legislative issues. Educational entities are approaching the 2012 session with a "restore" attitude. We will be fighting personal property tax issues again this year. I am trying to get Mike Ferguson to speak at the ISBA conference regarding changes in the tax structure and the impact on education. |

Additional Information

- Thank you for your attendance at the teacher orientation. The meeting went well.
- Kim John is heading up our training. All teachers received a short training on shelter in place. Paraprofessionals were involved in confidentiality training.
- Teachers received training in Mileposts which parallels the SDE Schoolnet. It is our new student learning management system
- Principals will be attending evaluation training to become certified evaluators.
