very much  
from me and my  
sister.

Dear Rockaway Lion's Club,

On behalf of the staff and several families, I want to extend an enormous "Thank You" for the amazing gift of warm winter jackets.

The new jackets were given to 20 students from our school district. The ones given out here at Nehalem were received with gigantic smiles and appreciation. To be given a new (not a hand-me-down) jacket was noticeably special.

Your generosity and compassion is heartwarming. We sincerely thank you for the gift of warmth and kindness.
