CISD Board Agenda Item Synopsis

Subject: Consider and approve an option to recognize our district's UIL state championships.

Background Information: The Board of Trustees tasked the district to form a committee to consider and provide options to recognize the district's UIL state championships. The committee has met throughout the months of February and March to consider several options for the Board of Trustees to consider as viable recognition options celebrating the district's 25 state UIL championships. While the committee's charge was not to dictate funding, the committee does request that any option selected be funded via donations and sponsorships.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:
