1. Mobility Report (next page)

Report Section Descriptions and Assumptions:

- **School Level Enrollment Information**
  - o This section is broken up by School / Grade
  - o This section counts a student as 1 even if they spent only one day enrolled during the reporting period. When this section is built, the first and last days of the month are used as the reporting period.
- **Enrollment Comparisons**
  - o This section compares the enrollment totals of the current reporting period to the month prior and the same period a year prior.
- **Mobility**
  - o This section of the report lists the total number of students by grade who have withdrawn and enrolled during the reporting period.
  - o This section of the report uses the same reporting period as the other sections of the report.
  - o This section of the report is only accurate the day the section is built as notifications of students withdrawing is ongoing throughout the next month.
- **Leaving Student Breakdown**
  - o This section of the report displays the reason students withdrew during the reporting period.
  - o This section of the report is broken out by the Minnesota Department of Educations approved End Status Codes. These codes are:
    - ▪ 03: Transferred to an approved nonpublic school
    - ▪ 04: Student moved outside of the district, transferred to another MN District
    - ▪ 05: Student moved to another state and enrolled in school; student moved out of the country
    - ▪ 20: Student transferred to another district/state but did not move

This section of the report is only accurate the day the section is built as notifications of students withdrawing is ongoing throughout the next month
