To Whom It May Concern:

I am writing this letter to inform you I will be resigning from the 6th grade coaching position effective 1/29/19. Thank you for the opportunity to coach the young girls. I believe my time is being wasted by standing and watching the 7th grade coaches coach and not really being able to coach my 6th grade girls because they are split into the two 7th grade teams. Having the girls split in middle of the season was not fair to my 6th graders or myself not being able to have all the girls together on one team. As of last night, I only had two 6th grade girls left, one being on the early practice and one on the late practice. I have expressed my concerns to the AD's which nothing has changed so it was my choice to resign as the coach, because I feel I am not needed and in the way at practice and games.

Sincerely,

Rikie Calica
