Superintendent Little:

On behalf of the Michigan School Business Officials, it is my pleasure to inform you that Lana Lorencz has successfully completed the MSBO Leadership Institute. This year-long program requires a significant commitment by the participants and helps them realize and develop their leadership skills.

I hope that you will join us in celebrating Lana's accomplishment. You may wish to inform your district's Board of Education and your local media. It is an opportunity to highlight your staff's accomplishments and shed a positive light on your school district.

The MSBO Leadership Institute began its 16th cohort in 2025. We encourage you to consider supporting other staff participating in this very worthwhile program in the 17th cohort in 2026. Applications are open www.msbo.org/professional-development/leadership-institute/

If you have any questions or want additional information, please call Tim Peraino, MSBO Associate Executive Director at (517)327-5920.

Sincerely,
