Option A allowing the use of the behavioral agreement for the student's first assignment to DAEP of the school year, for a possible reduction in assignment of up to 10 % of the originally assigned days

Option B stating the district has not adopted a policy to allow for the behavioral agreement

PARENTAL AGREEMENT

Options as allowed by HB6

Page 19

Refer to Handout A

The behavioral agreement will specify the responsibilities of the student and parent/guardian. If followed, the agreement may result in a reduced disciplinary placement period (up to 10 percent of the original assignment), as outlined in the agreement. Reduction in the disciplinary placement period does not entitle the student to a different disciplinary placement. The decision to reduce, revoke or amend the disciplinary placement period is at the sole discretion of the school administration. Compliance with the agreement is required for the reduction to remain valid. Note: Behavioral agreements are only offered for initial DAEP placements and are not available for repeated placements within the same school year.

The district has not adopted a policy for parental involvement in school disciplinary placements under Education Code 37.0014.

A teacher may initiate a formal removal from class if:

A student's behavior repeatedly interferes with the teacher's ability to teach the class or with other students' ability to learn.

A student demonstrates behavior that is unruly, disruptive, or abusive toward the teacher, another adult, or another student in the classroom.

STUDENT REMOVAL BY TEACHER

Page 24

Within three school days of the formal removal, the CBC or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator. The teacher has the option to provide input for the meeting through a written statement.

STUDENT REMOVAL BY TEACHER

Page 24

A student who has been formally removed by a teacher for any other conduct may not be returned to the teacher's class without the teacher's written consent unless the placement review committee determines that the teacher's class is the best or only alternative available. Not later than the third class day after the student was removed from class, a conference in which the teacher was provided an opportunity to participate has been held. The student may not be returned to the teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student.

Students will continue to receive behavioral support services and comparable educational services as the student would receive in the classroom.

Virtual Expulsion Program

In some circumstances, a student may be placed in a virtual expulsion program.

- The school will ensure students in the program have the necessary technology and internet and will provide it if needed.
- The virtual program will, as much as possible, meet the same requirements as an in-person disciplinary alternative education program (DAEP).
- The student's placement will be reviewed every 45 school days.
- If an in-person spot becomes available at the JJAEP, the school should plan the student's return to in-person learning.
- If continued virtual placement is appropriate, the school will document the decision.

VIRTUAL EDUCATION FOR EXPELLED STUDENTS

Page 45

Consideration of Virtual Education as Alternative to Expulsion

Before a school district may expel a student, the district must consider the appropriateness and feasibility of, as an alternative to expulsion, enrolling the student in a full-time hybrid program, full-time virtual program, full-time hybrid campus, or full-time virtual campus. This requirement does not apply to a student expelled under Education Code 37.0081 or 37.007(a), (d), or(e).
