

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 23-Sep-16 **Superintendent:** David Valenzuela

Administrator/Staff: Wayne McHugh

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

This action item is for the out of state approval for Mr. Mchugh (IVHS) to attend the Specialty Equipment Market Association Automotive Conference November 1st-4th in Las Vegas Nevada. This conference is paid for by the regional Career and Technical Education consortium and is offered at zero cost to the district. This conference is a premier opportunity for automotive teachers and is important to the automotive program of study at IVHS. Industry standards, emerging technologies, and curriculum for automotive courses are all explored and developed.

Provide history/background information on your proposal:

The conference includes in-depth training sessions, demonstrations of the latest technologies and asset management for our institution and classroom, and hands-on workshops. VISION 2016 will also provide networking opportunities with thousands of my CTE peers. It's a great opportunity for me to gain first-hand insights on the Auto Tech Programs of Study from breakout sessions, keynote speakers, exhibitors, and one-on-one meetings with numerous ACTE leaders and CTE subject-matter experts.

List the advantages of your proposal:

Staying current with our Automotive Program of Study to continue the program of study and receive Perkins funding

List possible disadvantages of your proposal:

Wayne would need a substitute for three days from his class (also covered by the consortium, not TRSD)

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Not attending. Not recommended as this is at zero cost and part of the regional automotive PLC.

Superintendent's recommendation(s):

Approve: Yes No
