RE: FY26 School Calendar
DATE: October 31, 2024

As you recall, the FY26 school calendar was presented in draft form at the BOE meeting on October 21, 2024.

Minor changes were made to some holiday descriptors, namely for October 13, December 24-26, and April 3 and April 6.

It is recommended that the BOE adopt the calendar, as presented.
