I want to nominate Lupe because she makes such a positive impact in our program—not just by being the amazing coach that she is, but also by being a wonderful friend. As a coach, she is always willing to help anyone. She consistently finds ways to support each of us, not only by meeting our needs but by helping us grow as teachers and professionals.

Lupe encourages me to think outside the box and to try new strategies that improve my students' learning—and that is truly inspiring. She is always looking out for everyone in the preschool program. Whenever she gives a presentation, she ensures there is meaningful interaction and participation. You can always tell how much time and care she puts into preparing, researching, and delivering her sessions so she can answer every question with confidence and insight.

I am so thankful to have Lupe and the other coaches by our side. Thank you, Lupe, for being such an amazing human being, teacher, coach, mom, and friend. You bring so many positive things to our program every day, and we truly appreciate you!
