\*Strategic/Tier 2: monitor biweekly; Intensive/Tier 3: monitor weekly

Groups and individual student results are monitored regularly at the following meetings:

- Early Release/Late Start – Overall assessment results are used to monitor progress on student improvement goals and to identify potential strategies for future SI goals.
- Elementary PLC meetings – grade level teachers meet 2 times per month to monitor individual student growth and to progress monitor.
- Middle and high school department meetings – program and individual student growth is monitored. Results are used at both buildings for placing students in support classes for both reading and mathematics.
- District School Improvement Steering Committee meetings – all data are used to monitor the success of program implementation and to establish District SI goals.

Scores are provided to parents using the following communication systems:

- Infinite Campus – District student management system. Scores are available in the parent portal
- District Report Cards – scores on selected assessments are listed 4 times per year.
- Title 1 parents receive scoring reports each semester.
