Recommendation:

Information Only

Summary:

The **Boerne Education Foundation (BEF) Wow Moment Video** highlights inspiring stories of how the foundation's **Grants-In-Action** that have positively impacted Boerne ISD students and teachers. Through dynamic visuals, the video showcases various innovative programs and resources made possible by BEF's funding, emphasizing the foundation's role in enhancing classroom experiences and promoting educational excellence.

Rationale:

This BEF Wow Moment video will highlight the inspiring creativity and skill-building happening at Herff Elementary School, where students jump on trampolines to support sensory skills, mental health, and concentration.
