To whom it may concern,

Due to my husband being transferred to the San Antonio area I am resigning from my position as an elementary school teacher at Waskom Elementary School for the 2013-2014 school year.

I would like to take this time to say how much of a blessing it has been working at Waskom ISD the past three years. This school has given me many opportunities to grow as a young teacher. I am extremely thankful for the opportunity to work with a great staff and for a great principal. I can thank each of these people for the teacher I am today.

If there is any way that I can help Waskom ISD through this transition or in the future please let me know.

Sincerely,

Channin' Spisak
