Summary:

The **Core Values in Action - Staff Recipient** is the recognition of a staff member who consistently demonstrates the values that shape the heart of the school community. These core values are essential to creating a positive, supportive environment where students thrive both academically and personally.

Rationale:

The Core Values in Action – Staff Recipient is Leonard “Lee” Mann, Bus Driver. He serves as powerful example for his co-workers, demonstrating how respect, empathy, and responsibility can be practiced in everyday actions. Whether it's through helping a fellow student or staff member, showing kindness in difficult situations, or maintaining integrity on the job, he inspires others to follow his lead.
