### **2C.**                      **Action**

**TO:**                      **BOARD OF SCHOOL TRUSTEES**

**DATE:**                **May 10, 2004**

**SUBJECT:**           **APPROVAL OF BID FOR ATHLETIC SYNTHETIC TURF**

The Keller ISD Athletic Synthetic Turf Proposal opened April 27, 2004. A pre-proposal meeting to discuss athletic turf issues was held April 13, 2004. A proposal was sent out to fourteen vendors with seven vendors responding to the proposal.

A tabulation spreadsheet was compiled by the Purchasing Department showing the vendor responses. The results were separated into two categories. The first category would be to complete Keller High as a stand-alone project with a total cost of \$432,000 to turf all areas and to have 'KISD' inlaid in each end zone. The second category has all three projects proposed together for completion at the same time with a total cost of \$1,286,000. This cost includes turfing all areas for Keller, Fossil Ridge, and Central High Schools with 'KISD' inlaid in each end zone for the Keller stadium only.

The Purchasing Department, Athletic Department, and Construction Department recommend United States Track and Turf as the lowest, responsible proposal meeting specifications of the District for this project. References were checked for U.S. Track and Turf and were very favorable.

+++++

**The administration recommends that the Board of Trustees approve United States Track and Turf for installation of synthetic turf as presented.**

Respectfully submitted,

Denise Kern,  
Director of Purchasing

Bob Dejonge  
Athletic Director

Mark Canterbury  
District Architect
