BOARD OF TRUSTEES

Date: December 21, 2017 Presented By: Dr. Puig
Procurement Method for
Subject: District Capital Improvements Related Page(s) N/A

Action

BACKGROUND INFORMATION:

The district is required to select a construction procurement process or delivery method that provides the best value. The allowable methods for a school district's construction contracts are now found in Chapter 2269 of the Government Code. Allowable construction-contract methods include: (1) Competitive bidding; (2) Competitive sealed proposals; (3) Construction manager-agent; (4) Design-build; (5) Construction manager-at-risk; and (6) Job-order contracting.

Due to the straightforward nature of this particular project, BISD administration recommends a competitive sealed proposal delivery method.

RECOMMENDATION:

Approval

BOARD ACTION REQUIRED

I move the board select competitive sealed proposal as the method of delivery of construction services which offers the best value to BISD.
