**Re:** Athletic Director Report January, 2019

We are back and into the swing of things. 2019 is under way and we are heading into the most exciting part of winter sports schedules.... SRV Conference Play! Looking forward to seeing how our teams do this winter season!

## Girls Basketball-

The girls' varsity has had its ups and downs. The girls are currently 2-1 in conference play. They played a very difficult non conference schedule. Coach Long has the girls playing really well right now. Do to lack of numbers and injuries we were forced to consolidate the frosh/soph and the JV team into one team. This is a league wide problem for girls b-ball. Both Parma and Fruitland have also had to combine their sub-varsity teams.

## Boys Basketball-

The varsity boys are continuing to get better every game since their late start to the season. Their success in football put them 2 ½ weeks behind everyone else. They have won their last three games in a row. They start league play this Thursday @ Payette. The sub varsity teams are playing well and are looking forward to SRV play.

## Wrestling-

Wrestlers have competed in three different tourneys'. Coach Levinski has been working his kids really hard and preparing them in the right way. I am truly excited to see what the future holds for our wrestling team. Coach Levinski has a lot of passion for the sport of wrestling and it shows. His athletes respond well to his tactics. Jaegar Rose finished 3rd at Rollie Lane last weekend on the boys side of things and Kaydince Turner finished 3rd on the girls side of the bracket.
