Each applicant for a position within the public school system shall be asked whether s/he has ever been convicted of a crime and whether there are any criminal charges pending against him/her at the time of application. Each person hired by the school system shall be required to submit to state and national criminal record checks. In order to process such record checks, the following procedure will be followed:

1. No later than ten calendar days after the Superintendent or his/her designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practical, the Superintendent or his/her designee will supply the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted by the regional service center or local New Fairfield Police Department. No later than ten calendar days after the Superintendent or his/her designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted. Failure of the applicant to have his/her fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.

4. Upon receipt of a criminal record check indicating a previously undisclosed conviction, the Superintendent or his/her designee will notify the affected applicant/employee of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal record check.
5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including, but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.

### **Criminal Justice Information**

(This section of the administrative regulation pertaining to Criminal Justice Information (CJI) is based upon information originally developed by the law firm of Shipman and Goodwin.)

Policies #4112.5/4212.5 and #4112.51/4212.51 and applicable law require applicants for employment in the District to submit to state and national criminal record checks. All results for such background checks and accompanying information is considered "Criminal Justice Information (CJI)." Such information is to be maintained, used and disclosed in compliance with this administrative regulation. These regulations apply to all CJI that the District possesses or controls in any form or format, including CJI contained in correspondence, documentation or reports of the District.

### **Security Check/Fingerprinting** (continued)

#### **Definitions**

**Criminal Justice Information (CJI)** means the results of any state or federal criminal record checks of an applicant for employment in the district, volunteer, employee, or contractor and all copies thereof.

**Criminal Justice Information Officer (CJI Officer)**, referred to by the State of Connecticut Division of State Police as the Terminal Agency Coordinator (TAC), means the individual appointed by the Superintendent to be responsible for the use, disclosure, and safeguarding of CJI in the District. This individual serves as the District’s primary point of contact for CJI matters and these regulations.

**Permitted Individual** means an individual designated by the Superintendent, or his/her designee, who may access CJI. Such individuals may include, but are not limited to, human resources personnel, and certain administrative staff.

#### **Request and Use of Criminal Justice Information**

An employee, contractor, applicant, volunteer, will be asked by the District for CJI as permitted or required by applicable policy and/or law.

The Superintendent or his/her designee shall designate those individuals who will be considered “Permitted Individuals” for purposes of these regulations. CJI may not be accessed by any other member of the District staff or be used for any reason without obtaining prior written approval from the CJI Officer. CJI used by the “Permitted Individual” is limited to that permitted or required by law or District policy.

“Permitted Individuals” must satisfy applicable legal screening requirements prior to access to CJI, including the following:

1. Permitted Individuals who are Connecticut residents shall be screened by the District through a Connecticut and national fingerprint-based record check after designations as a Permitted Individual.
2. Permitted Individuals who are not Connecticut residents shall be subject to a District state and national fingerprint-based record check and follow FBI guidance pertaining to additional screening requirements.

The Connecticut Department of Emergency Services and Public Protection may be consulted by the CJI Officer pertaining to the execution of the above cited screening requirements.

A Permitted Individual’s access to CJI may be terminated with or without cause at the discretion of the Superintendent, CJI Officer, or their respective designees. Upon termination of the Permitted Individual’s employment in or contract with the District, such individual’s access to CJI is to be immediately terminated. Reassignment or modification of a Permitted Individual’s professional responsibilities is considered cause to reconsider CJI access.

The CJI Officer must develop a protocol to ensure the protection of CJI while being transported and while out of the controlled area.

CJI that is maintained in paper format must be kept in a physically secure location.

The Criminal Justice Information Services (CJIS) Security Policy (see legal reference) contains safeguards for CJI records maintained in electronic format which the District shall comply. These safeguards include, but are not limited to, maintaining CJI on secure electronic systems and media; positioning information systems in a manner to prevent unauthorized individuals access and viewing CJI; storing electronic media containing CJI in a secure location; instituting access controls to limit access to Permitted Individuals; validating and authenticating information system users accessing CJI; developing protocols for configuration management and providing necessary access for system modifications and maintenance; providing the capability to detect and protect against threats to the integrity of CJI; developing parameters for auditing electronic systems containing CJI; and instituting media protection policies and procedures.

### **Disclosure of CJI by Permitted Individuals**

All such disclosures shall be logged.

### **Security Incident Response**

Security incidents are to be reported in writing to the District, regarding an individual's CJI that may have been accessed, acquired or disclosed during the Security Incident. Affected individuals and/or appropriate government agencies will be notified by the District as required by law or as the District determines appropriate.

#### **Record Retention, Disposal and Destruction of CJI**

CJI shall be maintained by the District in conformity with applicable record retention laws. Records containing CJI shall be stored for extended periods only if they are key elements for the integrity and/or utility of case files and/or criminal record files. Any audit records and transaction logs are to be maintained for one year. All records containing CJI are to be destroyed when the District is no longer required to keep CJI on file.

## Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as employment or a license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notice and other information and that the results of the check are handled in a manner that protects the applicant's privacy. These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28, Code of Federal Regulations (CFR), Section 50.12, among other authorities.

- Officials must provide to the applicant written notification<sup>1</sup> that his/her fingerprints will be used to check the criminal history records of the FBI.
- Officials must ensure that an applicant receives, and acknowledges receipt of, an adequate Privacy Act Statement when the applicant submits his/her fingerprints and associated personal information.<sup>2</sup>
- Officials using the FBI criminal history record (if one exists) to make a determination of the applicant's suitability for the employment, license, or other benefit must provide the applicant the opportunity to complete or challenge the accuracy of the information in the record.
- Officials must advise the applicant that procedures for obtaining a change, correction, or update of an FBI criminal history record are set forth at 28 CFR 16.34.
- Officials should not deny the employment, license, or other benefit based on information in the criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record solely for the purpose requested and cannot disseminate the record outside the receiving department, related agency, or other authorized entity.<sup>3</sup>

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant notice, what constitutes "a reasonable time" for the applicant to correct or complete the record, and any applicant appeal process that is afforded the applicant. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

## Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification<sup>4</sup> by New Fairfield Public Schools that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.<sup>5</sup>
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.<sup>6</sup>

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>7</sup>

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
