

Administrative Short Notes

- **ATTACHED** is a communication from TxDOT regarding public hearing dates for the Trans-Texas Corridor.
- We continue to appreciate and celebrate the value that the Joe Barnhart Foundation brings to the learners of Beeville. **ATTACHED** is another wonderful example.
- It always helps when we compare our students in Beeville ISD to the state to know how the state compares nationwide. **ATTACHED** is "Stacking Up Well" that provides a summary of the result of Texas' students on the National Assessment of Educational Progress (NAEP).
- We attempt to monitor our discipline referrals at all grade levels to make sure that we are not revealing biases in our procedures. **ATTACHED** are the elementary results through April of this year.
- **ATTACHED** are the 2006 Texas English Language Proficiency Assessment System (TELPAS) results. Note that these are from Cindy Clendennen's office.
- Beeville ISD (FMC) makes new in the "Voyager Connection" spring of 2006 issue. **ATTACHED** is an article from page 4. Let us know if you would like to see the journal.
- Recall that we determined some significant challenges in our monitoring of activity funds this past year. **ATTACHED** is a copy of the "Evaluation of Presentation" results. The business office will continue to monitor the efforts of the respective activity accounts.
- The U.S. Department of Education has completed investigation of BISD related to a complaint alleging that the district discriminates against students on the basis of race. **ATTACHED** is a copy of the determination from the U.S. Department of Education.
