# UNITY SCHOOL DISTRICT

*On Tuesday, January 9th, Unity School District hosted its second annual College and Career Fair. It was an incredibly successful event with students in 8th-12th grade being able to attend. Many important connections were made, and our students and staff represented Unity well! Thank you to all colleges and businesses for being a part of this great event!*

## READ LEAD SUCCEED

During the week of January 1-5th, Kindergarten students had the wonderful opportunity to hear from many different Mystery Readers! Each day, visitors like Mr. Alleva, Mrs. Holicky, Unity Administration, and various staff members shared their favorite stories.

Unity School District is excited to highlight Mrs. Ashley Lee. Mrs. Lee serves in several different roles and is directly involved in helping to create incredible STEAM opportunities for Unity students.

After spending 10 years in a neighboring district as a MS Library paraprofessional and helping to start the Makerspace program, Mrs. Lee is very excited to partner with Unity students and staff members to help make technology come alive with purpose! Most recently, she partnered with Mrs. Nelson's Middle School Math Class to learn about coordinate planes by designing and printing vinyl projects!
