Dear Mr. William Vitelli,

It is with regret that I submit this letter of resignation from my position as Math Interventionist at Derby Middle School.

I wish nothing but the best for the students, teachers, staff, and administration. I especially want to thank Dave Cole for helping me on numerous occasions when I was setting up my room at night. The warm reception I received from the staff was greatly appreciated and will not be forgotten.

Respectfully,

A handwritten signature in cursive script that reads "Alicia Ogren".
