6. Old or Unfinished Business

None

7. New Business

7.1. Carnegie Adoption

- Aliscia Benetti, Secondary Coordinator of Math & Science, provided an update on 6-12 Math Curriculum implementation. She discussed the strategic ways both Carnegie and she have supported our leaders and teachers in the following areas: Designing Teacher Professional Development & Coaching, Supporting the Implementation of Curricular Resources, Engaging Staff in Regular Review of Student Achievement Data, and Gathering Feedback from Teachers and Leaders. Overall, teachers are excited about the resource and began teaching this week. We will continue to provide monthly updates on implementation progress.

7.2. Collaborative Learning Efforts Across Schools

- Collaborative teams is a focus across all levels: leadership team, schoolwide team (guiding coalition), and collaborative teams (grade level and/or content area)
- Share a video of collaborative teams
- Sharing the load because we are all doing it together (principals, coaches, teachers)
- Bring data from PD Day around collaborative structures (across all 22 sections of learning)

7.3 Bus Safety

- Reviewed bus safety regulations
- Zero tolerance policy for certain violations (DWI)
- Receive updates from state on driving and/or moving violations
- Random audits of video footage on buses (summer + school year)
- Drivers who receive low score on driving are provided additional training
- Discussed Parent View App
- Next Time: How long do they archive the footage?

8. Items to be Considered for Future Discussion

- Transition from one level to the next - What programs and extracurricular activities are available? Athletics & Arts? Language? Gifted & Talented?

9. Adjournment

The meeting ended at 5:42 p.m. Moved by Kristen Keyser, seconded by John Verbos.
