

**FOREST LAKE AREA SCHOOLS
FOREST LAKE, MN 55025**

December 6, 2018

AGENDA ITEM: 11.2

TOPIC: New Course Proposal – Art Through the Ages A/B

BACKGROUND:

In an effort to provide course offerings that engage students, the teachers and administrators at the Area Learning Center continually explore ways to make connections between courses to better support student learning.

PROCESS:

Art Through the Ages is designed to accompany and complement *World History* to help students make connections between the events in history and the evolution of art through those same periods. If students choose to take both *World History* and *Art Through the Ages* during the same semester, they will learn about and create visual art from specific historical periods while simultaneously learning about the significant historical events from that period through their history class. As an alternative, this course may also be offered on its own and not in conjunction with World History.

RECOMMENDATION: First Reading of Proposed New Course

**To be offered in 19-20 pending Board Approval*
