### **FY09 Budget Cuts**

**Dr. Randy McCoy  
Mrs. Linda Pannell**

On Wednesday, January 21, 2009, Mrs. Pannell and I attended a meeting in Jackson with State Superintendent Hank Bounds where he shared with us the budget cuts for FY09. Attached for your review are some of those budget cuts.

We are working hard to determine a course of action to reduce our current budget and have begun to look toward FY10 regarding possible budget reductions.
