

Board of School Trustees

Mansfield Independent School District

In accordance with the Texas Education Agency (TEA) guidelines, campuses that do not meet specific accountability standards are required to develop and implement a Targeted Improvement Plan (TIP). TEA has provided a template districts must use. This plan outlines strategic actions aimed at addressing areas of concern and improving student outcomes. As part of our commitment to transparency and continuous improvement, the TIP plan for Glenn Harmon Elementary has been prepared and is linked for your review.
