March  
2011

## COUGAR TAIL

### A note from the Principal ...

Hello Applegate Families~

I hope this newsletter finds us all with warmer weather and Spring on the way! On February 16<sup>th</sup>, we had an awards assembly acknowledging some of our students for academic and behavior achievements. Many students were honored and it is always fun to get to share how well everyone is doing at coming to school, making progress in academics and tending to the job of being a student! Congratulations kids and parents on these achievements.

### Rotary Students of the Year

5th Grade Josh Rabjohn

8th Grade Cody Rose Porter

### Applegate Students of the Year

**K** Bronwyn Croll

**3rd** Elizabeth DeVos

**6th** Autumn Hewitt

**1st** Maria Cross & Clara Crandall

**4th** Parker Wright

**7th** Rachel Sutton

**2nd** Brandon DeMello

**5th** Garret Marcoulier

**8th** Randi Martin

### Perfect Attendance

Ben Emptage

Sayge Pereira

Shae Wiginton

Kaelan Fisher

Joshua Acosta-Leib

Atom Maujean

Maddie Lathrop

**THIS MONTH'S HIGHLIGHTS :**  
**WORLD MATH DAY**  
**READ ACROSS AMERICA DAY**  
**SCIENCE FAIR**  
**CUT DAYS**  
**SPRING BREAK**

### March Birthdays

Coral

Amaya

Atom

Taj

Maddie

Akeasha

Jesse

Kenny

Caitlyn

Jaykob

Kyle

Ben

**It's Here!**

### World Math Day

<http://www.worldmathday.com/>

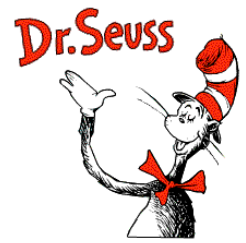

Each year World Education Games sponsors a World Math Day online competition. Students from all over the world log in and answer math problems in a timed race setting.

This year will be Applegate School's second time participating in World Math Day.

### Read Across America Day

Each year students across the country take time out of the day on March 2nd to participate in Read Across America Day, in celebration of Dr. Seuss' Birthday. This year the K-3 classes will be celebrating by reading and making projects in the multi-purpose room.

**\$10 EACH**

The kids in Art and Nature have an art display up in the Library. Please come in and see their beautiful butterfly water color pencil drawings

The group is also still in need of help moving a large compost pile.

Please call the office if you can help!

### Upcoming Events

Honor Society Induction

Movie Night

Craterian Field Trip

Volunteer Tea

Earth Day

# Spring's Around the Corner

## Science Fair Near!

As many of you know, the Science fair is coming up soon.

Students had to make a board, graphs, and a lot more to pass, and by the list of people going, we see that all the kids have been working hard to be able to go.

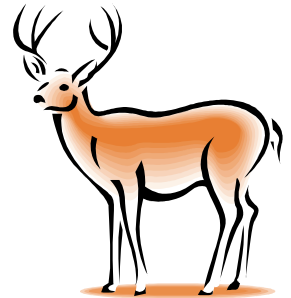

## Spring Break

March 17th to the 25th is this years Science Fair. A good Time to have picnics and spend time with the family.

## **Whoa!**

**Josiah Locke found a forked antler dropped by one of the local deer. He is letting Ms. Knicki borrow it to show everyone. If you want to see it, it's in the computer lab available to anyone until March 4, 2011.**

# Healthy Snacks

## Eating Healthy

Spring is a nice time to plant a garden. Some of the things that grow in the spring are apricots, beets, and carrots, which like the nice cold weather.

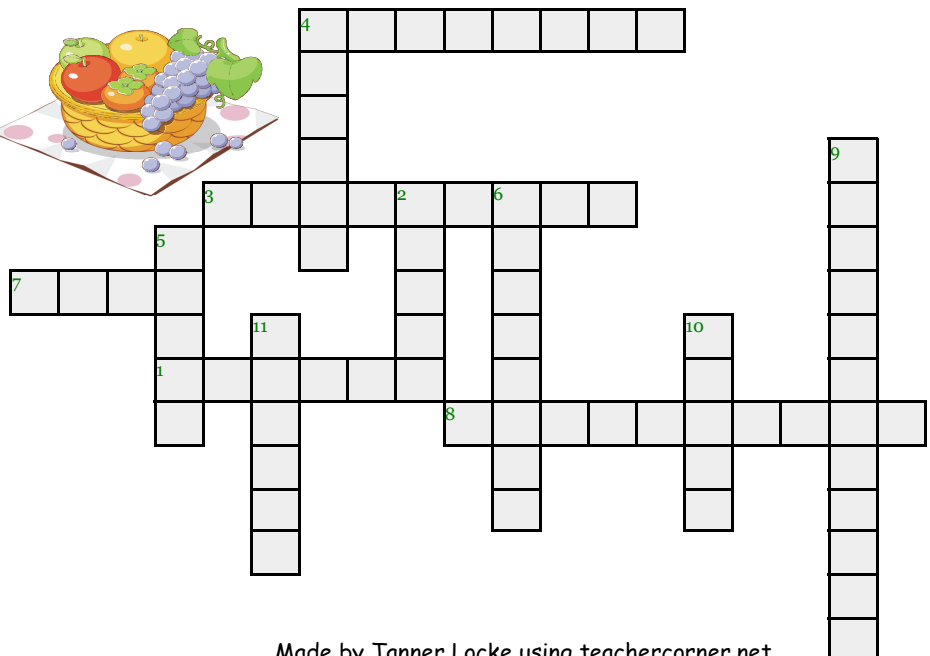

### Across:

1. it has a orange peel
3. from Hawaii
4. it looks like a green tree
7. it has a green peel
8. its a miniature white tree

### Down:

2. its red
4. it has a yellow peel
5. it has a yellow peel
6. what has eyes with no face
9. pinkish red
10. you can put dressings on it
11. it is all orange
