Re: RIHS Sub Account - Esports

The Business Office has received a request from Principal Ulrich at Rock Island High School to add a new sub account to their existing Activity Account for the Esports program. The intent is for the club to have an activity account within the school's checkbook system to manage funds raised and to pay for associated club expenses such as materials, events, and trips.

It is recommended that the Board of Education approve the creation of the sub account for Rock Island High School as presented.
